

Key Takeaways

As you reflect on your role in a healthcare team environment and the lessons of this accredited continuing education, use this worksheet to dive into key takeaways for continued learning.

1. Define foster care in the US
2. Recognize the unique clinical care needs of children and youth in foster care
3. Identify the healthcare team for children and youth in foster care
4. Analyze opportunities for the healthcare team to address clinical care gaps for children and youth in foster care

Reflection

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

LEARN TOGETHER

OPTIONAL:

Add ways to share this with other members of the healthcare team through our [Idea Generator](#).

LEARNING FROM, WITH, AND ABOUT EACH OTHER

I will share the information learned from this course with my healthcare team by:
