

Key Takeaways

As you reflect on your role in a healthcare team environment and the lessons of this accredited continuing education, use this worksheet to dive into key takeaways for continued learning.

1. Define oral health.
2. Identify common conditions and oral health risk factors for older adults.
3. Assess the latest clinical recommendations for oral health care for older adults.
4. Examine the role of the healthcare team to promote oral health care, including preventive services, for older adults.

Reflection

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

LEARN TOGETHER

OPTIONAL:

Add ways to share this with other members of the healthcare team through our [Idea Generator](#).

LEARNING FROM, WITH, AND ABOUT EACH OTHER

I will share the information learned from this course with my healthcare team by:
