

Key Takeaways

As you reflect on your role in a healthcare team environment and the lessons of this accredited continuing education, use this worksheet to dive into key takeaways for continued learning.

1. Distinguish the differences and similarities between palliative medicine and hospice.
2. Recognize the benefits of palliative medicine.
3. Apply care delivery models of both palliative medicine and hospice, in healthcare team environments.
4. Analyze appropriate patients for transitioning from palliative care to hospice care.

Reflection

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

LEARN TOGETHER

OPTIONAL:

Add ways to share this with other members of the healthcare team through our [Idea Generator](#).

LEARNING FROM, WITH, AND ABOUT EACH OTHER

I will share the information learned from this course with my healthcare team by:
