

Key Takeaways

As you reflect on your role in a healthcare team environment and the lessons of this accredited continuing education, use this worksheet to dive into key takeaways for continued learning.

1. Review background of adherence measures.
2. Discuss costs of non-adherence.
3. Identify common causes of non-adherence.
4. Recognize general techniques for improving adherence.
5. Examine medication-specific strategies for improving adherence in select classes.

Reflection

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

LEARN TOGETHER

OPTIONAL:

Add ways to share this with other members of the healthcare team through our [Idea Generator](#).

LEARNING FROM, WITH, AND ABOUT EACH OTHER

I will share the information learned from this course with my healthcare team by:
