

Key Takeaways

As you reflect on your role in a healthcare team environment and the lessons of this course, download this worksheet to use to dive into key takeaways for continued learning.

1. Analyze how addressing culture in healthcare can improve patient care, safety, and experience
2. Define unconscious bias and its potential impact on patient health outcomes
3. Explore the intersectionality between unconscious bias, culturally appropriate care, and health equity

Additional Notes

Reflection

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

LEARNING FROM, WITH, AND ABOUT EACH OTHER

I will share the information learned from this course with my healthcare team by:
