

### *Key Takeaways*

As you reflect on your role in a healthcare team environment and the lessons of this course, download this worksheet to use to dive into key takeaways for continued learning.

1. Understand the importance and prevalence of lead poisoning
2. Recognize and treat lead poisoning appropriately
3. Analyze the public health implications of lead poisoning, and what can be done about it

Additional Notes

### *Reflection*

What barrier(s) in my healthcare team environment currently exist on this topic?

How can I apply this information as a member of the healthcare team to improve quality of care or health outcomes?

### **LEARNING FROM, WITH, AND ABOUT EACH OTHER**

I will share the information learned from this course with my healthcare team by:
